

2024 Grants

 Queensland Government	The Stanthorpe Agricultural Society wishes to thank the Queensland Government for their annual show grant under the 2024-2025 Show Societies Grants Program. The aim of this program is to provide financial support to the Show Societies and affiliated Organisations throughout Queensland to conduct annual agricultural shows, delivering cultural, social and economic stimulus to local communities. Through this program the Society received over \$19K (incl. GST) and these funds were directed towards the 2025 Stanthorpe Agricultural Show.
 Gambling Community Benefit Fund Queensland Government	The Stanthorpe Agricultural Society would like to thank the Gambling Community Benefit Fund for the funding received through Round 120 of their program. The GCBF funding helps community groups to provide services, leisure activities and opportunities for Queensland communities. Through this fund, the Society received \$35,000.00 (excl. GST) to purchase and install three new ensuite ablution blocks for Stanthorpe Showgrounds.
 acciona energia	The Stanthorpe Agricultural Society would like to thank ACCIONA Energia for the funding received through their 2024-2025 small grants funding program. These grants contribute to the sustainable development of regional communities. Through this program, the Society received \$3,000.00 to assist with the electrical fit-out of new ablution blocks.
 Australian Government Department of Agriculture, Fisheries and Forestry  Future Drought Fund  FRRR Foundation for Rural Regional Renewal  Australian Rural Leadership Foundation	The Stanthorpe Agricultural Society would like to thank the Foundation for Rural Regional Renewal for funding through the Future Drought Fund's Helping Regional Communities Prepare for Drought Initiative. The Australian Government's Future Drought Fund (the Fund) is a secure, continuous investment to help farmers and communities to prepare for drought. The Fund is investing \$29.6 million over the next two years to implement the <i>Helping Regional Communities Prepare for Drought Initiative</i>, which extends and integrates the Networks to Build Drought Resilience Program (delivered by the Foundation for Rural & Regional Renewal, or FRRR), and the Drought Resilience Leaders Program (delivered by the Australian Rural Leadership Foundation, or ARLF.) Through this initiative, the Society was able to improve watering systems in the showgrounds cattle yards to improve the drought preparedness of the water infrastructure in the Stanthorpe Showgrounds saleyards thus improving access to, and use of, water infrastructure by the Granite Belt community.

	The Stanthorpe Agricultural Society wishes to thank the Stanthorpe RSL Services Club for their generous sponsorship of Society activities through their 2024-2025 Community Grants funding program, Through this program, the Stanthorpe RSL Services Club provides direct grants for community welfare, sporting teams, non for profit organisations, local events, cultural activities and schools. This funding was used to support the annual Stanthorpe Rodeo, and also activities relating to poultry and entertainment at the 2025 Stanthorpe Show.
 Southern Downs REGIONAL COUNCIL This project has been assisted by Grants to Community funding from the Southern Downs Regional Council.	The Stanthorpe Agricultural Society would like to thank the Southern Downs Regional Council for a grant provided under their 2024-2025 Community Grants program. Through its Grants to Community - Community Grant funding program, Council provides financial assistance to local not-for-profit organisations to support them in delivering projects that will provide a broad benefit to communities across the Southern Downs Region. This funding was used to support the 2025 Stanthorpe Agricultural Show.
